Re: Ambridge / Aliquippa Bridge Project
ECMS Contract # 29103, Beaver County, PA

Subject: **Advance Notice – Traffic Restrictions**

Dear Mr. Brunette,

Trumbull Corporation has been contracted by the Pennsylvania Department of Transportation to complete the two year rehabilitation project of the Ambridge/Aliquippa Bridge (SR 9402) in Beaver County. This letter is being directed to your attention in an effort to properly inform you of the upcoming construction operations and traffic restrictions. The project includes replacement of the bridge deck & sidewalk, steel repairs, bridge painting, and other miscellaneous construction items.

Please be advised that the work affecting your community and/or operations will begin on or around the date of March 3, 2012. At that time, the Ambridge / Aliquippa Bridge will be closed and all traffic will be detoured via SR 65 to Sewickley to SR 51. This detour will remain in effect until November 15, 2012.

I trust this letter has adequately informed you of the upcoming roadway construction project; however, should you have questions and/or comments, please feel free to contact me at 412-589-0440 or at Kevin.Kilmer@trumbullcorp.com.

Very truly yours,

TRUMBULL CORPORATION
