

**RESOLUTION NO. R-2010-18**  
**Hopewell Township, Beaver County, Pennsylvania**  
**2002 Records Disposal**

Resolved by the Board of Commissioners of Hopewell Township, Beaver County, Pennsylvania, That

*WHEREAS*, by virtue of Resolution No. 2002-16, adopted November 4, 2002, the Township of Hopewell declared its intent to follow the schedules and procedures for the disposition of records as set forth in the Municipal Records Manual approved on July 16, 1993, and,

*WHEREAS*, in accordance with Act 428 of 1968, each individual act of disposition shall be approved by resolution of the governing body of the municipality;

*NOW, THEREFORE, BE IT RESOLVED* the Board of Commissioners of the Township of Hopewell, Beaver County, Pennsylvania, in accordance with the above cited Municipal Records Manual, hereby authorizes the disposition of the following public records: 2002 Accounts Payable Records, 2002 Bank Statements and Checks, 2002 Financial Statements and Budget Reports, and 2002 Journal Entries and Journal Books

ATTEST:

Andy Brunette, Township Manager

Richard Bufalini, President, Board of Commissioners

(Seal)

**TOWNSHIP OF HOPEWELL**  
**Beaver County, Pennsylvania**  
**BOARD OF COMMISSIONERS**  
**WORKSHOP MINUTES**

August 9, 2010  
Meeting in Session at 6:31 p.m.

6:31pm: Workshop Meeting Called to Order by Mr. Bufalini

**ROLL CALL**

President

Richard Bufalini

Vice President

Chuck Piroli

Commissioners

Joe Kusnir

Brian Rohm

Norm Kraus

Others Present

Andy Brunette, Township Manager/Controller

Marie Stratakis-Hartman, Engineer

Mike Jones, Solicitor

6:32pm

Brian Bucci 2012 Timber Lane,  
Commissioner Bufalini asked if Brian could explain to the Board of Commissioners his request for approval to hold a 5k walk on November 25, 2010 to benefit the Beaver County Humane Society. Brian informed the Board that this would be his senior project for the upcoming year. Brian also informed the Board that he will notify all residents along the route of the 5k course. Brian also included an aerial map of the course and requested that the Township supply the necessary traffic control by our Police Department. The Manager will forward that information to the Police Department for approval for traffic control. The Board of Commissioners verbally all in favor gave approval for Brian to proceed with his senior project.

6:37pm

**ENGINEER REPORT** Marie Stratakis- Hartman, P.E. Report on file.

7:21pm

**CITIZEN COMMENTS PERTAINING TO THE AGENDA**

Tony Muia 4001 Fairway Drive,  
Mr. Muia discussed the idea of the Village of the Green Condo Association reacquiring Parcels A and B located at the end of Fairway Drive. Mr. Muia asked solicitor Mike Jones if there were any restrictions preventing the transfer back to the association. Mike advised Mr. Muia that he will search the deed and the developer's agreement and see what determination can be made on the possibility of transferring the deeds.

7:36pm

**BUSINESS AGENDA**

Mr. Kusnir

Motion to approve the Workshop Meeting Minutes of July 12, 2010

Mr. Rohm

Second the motion

Roll Call Vote:

Mr. Kusnir      yes

Mr. Rohm        yes

 Mr. Rohm        yes  
 Mr. Kraus       yes  
 Mr. Piroli       yes  
 Mr. Bufalini    yes  
 Motion Carried

7:56pm            ITEMS FOR DISCUSSION

All items for discussion in regards to engineering were addressed in the engineers report and are on file at the Township Building. Additional comments were made from Commissioner Kusnir in regards to item three of the General Township items in the Engineer's report questioning the proposed recommendation of using mechanical engineer Olds Engineering Consultants to design the municipal boiler specifications at a cost of \$9,500.00. Commissioner Kusnir felt that there was no need to have specifications drawn up when the Township already has existing specs. The Board agreed to table this issue and to have the Township engineer continue to research other solutions to the Municipal Building boiler replacement.

The following sewer ordinances were discussed: dye testing, sewer system rules and regulations, and sewer system fees. Commissioner Rohm stated that his concern was that reverting back to the old dye test would not completely solve the problem of water entering sewer laterals. Commissioner Rohm questioned that he did not believe that spikes of flow at the Wickham Plant during heavy rain was not due entirely to faulty lateral, but could be a host of other extraordinary circumstances. A lengthy discussion pursued between the engineer and Commissioner Rohm. After the discussion it was agreed that it would be in the best interest of the Township in relationship to catching illegal lines and maintaining DEP flow guidelines to revert back to the old dye test system.

Mr. Piroli            Motion to approve the advertisement of Ordinance 2010-04 Sewer System Rules and Regulations, and Ordinance 2010-05 Sewer Rate Ordinance, and Ordinance 2010-06 Smoke and Dye Testing  
 Mr. Kraus            Second the motion

## Roll Call Vote:

Mr. Kusnir      yes  
 Mr. Rohm        yes  
 Mr. Kraus       yes  
 Mr. Piroli       yes  
 Mr. Bufalini    yes  
 Motion Carried

Mr. Jones discussed and handed out copies of two proposed resolutions in regards to Hopewell Township's Police Pension Plan. The Resolutions are necessary in order for the Police Pension Fund to be compliant with state and federal law requirements. Mr. Jones is also working on a firework permit form for Township firework displays. Mr. Jones advised the board that he will have the McGrath conditional use opinion by next week. Ordinance 93-9 was discussed by the Manager questioning whether this enforces a franchise fee on residents for refuse collections on vacant properties. Mr. Jones advised the Board and the Manager that Ordinance 93-9 does not allow us to collect refuse franchise fees. In order to collect this fee the ordinance would have to be revised to adopt the franchise fee. The Board decided to discuss this again at a future meeting.

The Manager brought up the idea that is being passed around by the Board on splitting out the Sewer System from the Township into its own Sewer Authority. The Manager advised the Board of the potential feasibility cost associated with such a huge task and all of the components that would have to be considered before a split of the Authority could take place. The Manager also advised the Board that the feasibility study would have to be budgeted for the 2011 budget year. The Board directed the Manager to start an email chain starting a list of items that would have to be discussed in order for the Sewer System to split from the Township. The Manager also discussed with the Board John Bates' comments on the Timber Ordinance; after hearing the comments the Board decided to forward the proposed ordinance to a certified forester for review and comments before acting on it.

President Bufalini advised the Board that he met with candidate Rick Miller for the B.O.C.A. Board and was pleased with his discussion. Mr. Bufalini then passed on his recommendation to the Board to approve him to fill the vacant position on the B.O.C.A. Board of Appeals.

Mr. Bufalini      Motion to appoint Rick Miller to the B.O.C.A. Board of Appeals term ending December 31, 2012  
Mr. Kraus        Second the motion

Roll Call Vote:

Mr. Kusnir      yes  
Mr. Rohm        yes  
Mr. Kraus        yes  
Mr. Piroli        yes  
Mr. Bufalini     yes

Motion Carried

President Bufalini asked the Board if they had any candidates for the opening on the Creswell Heights Water Authority Board, and the alternate position on the Sewer Authority Board. After a brief discussion among the Board no Commissioners were able to come up with any candidates. This issue will be discussed again at the next meeting

The Manager and Engineer discussed with the Board about replacing all of Hopewell Township's street signs by the year 2012 to be in compliance with state regulations. The Manager advised the Board that the estimate to replace all of the street signs would be about \$30,000. The signs will be replaced on all of the State Roads first and then our side roads and housing plans. The Township is looking at the feasibility of installing the street signs on the existing street poles that currently exist if possible. The Manager also advised the Board that the Safety Committee will meet on September 13, 2010 to discuss the direction it wants to proceed with in regards to stop sign replacements within the Township. The Manager discussed with the board the proposed resolution R-2010-20 opposing HB 2341 and SB 1357 and the following action took place:

Mr. Kusnir      Motion to approve Resolution R-2010-20 opposition to forced local government mergers and consolidations  
Mr. Bufalini     Second the motion

Roll Call Vote:

Mr. Kusnir      yes  
Mr. Rohm        yes  
Mr. Kraus        yes  
Mr. Piroli        yes  
Mr. Bufalini     yes

Motion Carried

The Manager and the Board discussed the letter received from resident Carol Force 3104 Roosevelt Ave in regards to feral cats roaming the neighborhoods. The Board directed the Manager to send a letter to Ms. Force instructing her to pick up the cat traps at the Police Station, trap the cats and then call animal control for pick up. The Board has addressed this issue in the past and had decided before that this is the direction they will go in. The Manager briefed the Board on the comments from Jeff Lancos PennDot in regards to the low trees located on Kane Road. Mr. Lancos informed the Manager during the week of August 2, 2010 that in response to his letter dated July 26, 2010 that they did cut all the trees they felt were unsafe and that they deemed the remainder of the trees high enough off of the road and safe. Mr. Rohm advised Mr. Brunette that as you exit the Park on the Kane Road entrance and turn right that a catch basin is needed due to extreme water that builds up at that location during heavy rains. Mr. Brunette advised the Board that he will photograph the area and send them with a letter to Jeff Lancos about the dangerous situation there

The Board of Commissioners verbally approved a request by Nalene Kaminsky to have a sleep over at the Park's Nature Center on August 14, 2010. The Board also advised Mr. Jones to develop a release form for people who wanted to stay at the Nature Center overnight in the future; this will relieve the Township of any liability in providing sleep over's at the Nature Center

The Manager gave the Board the Zambelli Fireworks bid for the 2011 Parkfest fireworks display. After discussion it was decided that the Board would solicit more bids. However the Manager advised the Board not to wait too long because of the discount period. The Manager also discussed the Board soliciting health insurance brokers in order to better prepare for the 2011 budget. This is needed due to the fact that M.E.L.T. has not yet provided any pricing for any of their products for 2011.

9:15pm CITIZENS FORUM None

9:17pm NEW BUSINESS

Mr. Piroli Motion to approve the advertisement for the position of School Crossing Guard Seasonal on-call Part Time at an hourly rate of \$12.38 after probation per budget line item 1-410-133

Mr. Rohm Second the motion
