8:05pm ITEMS FOR DISCUSSION

All items for discussion in regards to engineering were addressed in the engineers report and are on file at the Township Building.

Mr. Jones updated the Board on the ordinance for a reciprocal agreement with neighboring communities in regards to police service, the ordinance restricting parking during school hours along neighboring school streets, timbering harvesting, grading and filling updated ordinance and stated that he is continuing to work on these ordinances for the Board.

Mr. Jones advised the Board that the ordinance for oil and gas drilling has been advertised and will be considered for passage at May 9th workshop meeting

The Township Manager discussed with the Board the idea of replacing and installing new welcome signs and banners for Township entrances. Drafts of new Welcome Hopewell Township signs with State Champions on it was passed around for viewing to the Commissioners. Nancy Pajak will be designing the welcome banners. This issue will be considered at the May 9th workshop meeting.

The open Planning Board position was discussed and tabled until the May workshop meeting

The Board has directed Mike Jones to revise the Resolution R-2011-01 Depository Fees to allow for senior citizen residents only over the age of 65 to be exempt from paying for yard waste disposal at the Depository. Mr. Jones will have the revised Resolution for the April 25th 2011 Business Meeting.

The Manager explained to the Board that the complaint from Durr Drive sidewalk repair was investigated and determined by Hopewell Township's Public Works Supervisor that after videotaping the line under the sidewalk and manhole that the Township's line was intact and that the cause of the damage to the sidewalk was not any fault of the Township. The video tape is on file at the Township office.

The Manager asked the Board if they wanted to consider passing an ordinance to address vacant and abandoned structures within the Township. Currently these structures are covered by Pennsylvania building codes and the Township does not have any enforceable ordinances to force people to tear down structures. The Board discussed the issue and asked Solicitor Mike Jones to investigate other communities to see if there were any sample ordinances they could review, or if Mike could put a sample ordinance together.

8:32pm **CITIZENS FORUM**

Tom Rohm 225 Sharon Grange Road

Inquired about the Gas Company installing new lines on Sharon Grange Road and asked the Township Engineer about right of way issues. Mr. Rohm wanted to know how the Township would be impacted in regards to Sharon Grange Road repair after the new gas lines would be installed. Mr. Rohm questioned how much of the road has to be dug up before they are required to repave the entire road. Marie said she would look into the Township's current street opening permit to make sure the gas company is in compliance

8:39pm **NEW BUSINESS**

Brian Rohm Commissioner

Mr. Rohm wanted to update the Board on an email that he received from Mrs. Mcfarland from Kane Road in regards to her statement that Mr. Years is dumping leaves into the culvert at Kane Road and Veasey Lane.

8:41pm **OLD BUSINESS**

Brian Rohm Commissioner

Mr. Rohm inquired about the progress and the status of the demolition of the Duncan property on Laird Drive and Kane Road. The Manager advised Mr. Rohm that Mrs. Duncan has been contacted and will be contacted again to remind her of her verbal agreement to raise the property, when the Township purchased the adjacent land.

Mr. Rohm also questioned the status of the Lamar advertising sign tax. Mr. Jones advised Mr. Rohm that there has been no recent movement on that case, but he will keep Mr. Rohm advised as progress is made.

Mr. Rohm informed the Board on the status of the Napa Auto Land Development. Mr. Rohm told the Board that the owners of Napa Auto are now dealing with State issues in regards to the Napa Land Development which is holding up the start of construction on that project.
