

RESOLUTION R-2011-27

**A RESOLUTION OF THE TOWNSHIP OF HOPEWELL, BEAVER COUNTY,
PENNSYLVANIA ESTABLISHING A STANDARD APPLICATION AND PERMIT FEE
TO ADMINISTER ORDINANCE NO. 79-6 REGULATING GRADING,
EXCAVATIONS AND FILL ACTIVITIES IN HOPEWELL TOWNSHIP**

BE IT RESOLVED by the Board of Commissioners of the Township of Hopewell, a Municipal Corporation situate in the County of Beaver and the Commonwealth of Pennsylvania, and it is hereby resolved:

SECTION 1 That the permit fee of Four Hundred dollars \$400.00 is hereby adopted as the standard fee for submitting an application for grading, excavations and fill activities within the boundaries of Hopewell Township in accordance with Hopewell Township Ordinance 79-6. This standard fee will replace the fee scale set forth in Article 7 of Ordinance 79-6

SECTION 2 It is hereby declared that the intent of this fee is to defray the costs involved in reviewing the application, undertaking required inspections and administering the provisions set forth in Ordinance No. 79-6.

SECTION 3 Any provision of any Resolution conflicting with the fee herein established is hereby repealed to the extent that said fee is inconsistent with the fee established by this Resolution.

THIS RESOLUTION shall be effective November 14, 2011

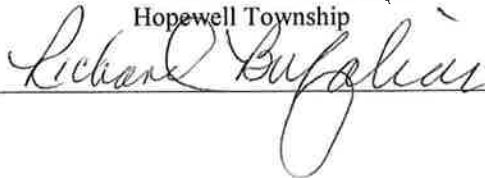

APPROVED BY THE BOARD OF COMMISSIONERS THIS 14TH DAY OF NOVEMBER 2011.

ATTEST:

Andy J. Brunette, Township Manager/Controller

Marie Stratakis-Hartman, Township Engineer

Mike Jones Township Solicitor

7:03pm CITIZENS FORUM

Debbie Trillow 102 McKenna Drive

Mrs. Trillow was checking on the status of McKenna Drive and when the Township was going to adopt McKenna Drive. Mr. Jones advised Mrs. McKenna that the next step would be to advertise the ordinance for adoption to take over the road. Mr. Jones stated that the public hearing for McKenna Drive would be December 12, 2011. In the interim the road will be maintained for winter maintenance and the catch basin will be repaired. Mrs. McKenna asked if the road will be paved next year, Mr. Jones replied that once taken over it will be treated as any other township road, and that he stated there is work planned on it for next year, but was not sure what kind of work would be done.

8:00pm PUBLIC HEARING FOR ORDINANCE 2011-04

CITIZEN COMMENTS PERTAINING TO ORDINANCE 2011-04

Commissioner Norm Kraus

Commissioner Kraus wanted to comment on the House Bill 1950 in regards to the State taking over the oil and gas regulations, resulting in the local municipalities losing control over regulating drilling within its boundaries. Also House Bill 1950 will give the State control over the collection and distribution of all monetary fees collected by any oil or gas drilling. Commissioner Kraus expressed his displeasure with this legislation and went on record to oppose it.

Mr. Kraus Motion to approve ordinance 2011-04 amending the Hopewell Township Zoning ordinance No. 2044-01, to allow oil and gas exploration, drilling and extraction operations as conditional uses in the industrial (I), residential-agricultural (RI), mixed use (MU), and riverfront industrial districts (RID) and further establishing permit requirements, pre-application conferences design, installation and operation restrictions and penalties for violation thereof

8:15pm PUBLIC HEARING FOR ORDINANCE 2011-10

CITIZEN COMMENTS PERTAINING TO ORDINANCE 2011-10

Township Engineer Marie Hartman displayed a survey map to the residents of McKenna Drive in regards to the Township adopting the road as a Township Road. Marie went on to explain in detail to the residents the specifications and requirements needed in order to adopt McKenna to Township specifications.

Debbie Trillow 102 McKenna Drive

Mrs. Catalogna 104 McKenna Drive

Mrs. Lawryk 109 McKenna Drive

Mr. and Mrs. Trillow, Mrs. Catalogna, and Mrs. Lawryk all reviewed the map with the Township Engineer and after many questions it was decided that the survey needed to more detail. Marie would be able to get the additional detail to Township Solicitor Mike Jones before the meeting on December 19th.

Township solicitor Mike Jones advised everyone that until we get the necessary survey information the hearing would be continued for final adoption at the December 19, 2011 Township Business Meeting.

8:30pm ITEMS FOR DISCUSSION

All items for discussion in regards to engineering were addressed in the engineers report and are on file at the Township Building.

Mike Jones updated the Board that he is continuing to work on the revised grading and filling ordinance with the Township engineer. New grading permit fees were discussed to bring the application fee to \$400.00 so that the Township could break even on the fees. Mr. Jones updated the board that he has completed the reciprocating agreement for police coverage to neighboring communities and that it is now up to the Chief of Police to hand out to the communities that he feels needs the agreements. The Board directed Mr. Jones to move forward in developing an ordinance for property maintenance. Tap fees in regards to the Sweet Brier plan for phase two were discussed. It was decided by the Township solicitor and the Board that the Township would not be able to go back and collect the correct tap-in fees from Maronda, because they were not notified of the change for phase two, and that the amount owed to the township would be charged off the books. However as Maronda moves forward in the Sweet Brier Plan phase two they are to pay the correct tap-in fees. It was also decided that the Township would abide by the agreement for phase two tap in-fees refunds to True-Line development, and that the refund money would be deposited into True-line's township escrow account. The Township Manager discussed the Township Christmas Party and requested that the Municipal offices and public works departments close at 1:00pm on Thursday December 22, 2011. It was also noted by the Manager that the Christmas party is completely funded by Township employees and municipal building vending fund. The board discussed the depository ID badges for 2012 and it was determined by the Board that a disclaimer will be put on the badges that the Township reserves the right to terminate depository privileges if it determines that residents are purposely bringing commercial yard waste into the depository. The Board discussed the 2012 leaf collection and in an effort to save an estimate of \$33,000 residents for 2012 will no longer be able to sweep their leaves to the curb and they will have to be bagged. Yard waste in 2012 will be picked up at the curb with normal garbage collections.

Mr. Kraus Motion to approve Hopewell Township's Public Works Contract effective January 1, 2012 to December 31, 2016

Mr. Bufalini Second the motion

8:51pm **CITIZENS FORUM**

Mr. Robert Years Grace Lane

Mr. Years wanted the Board to know that before any decision made by Penn-Dot in regards to Veasey Road that he has asked Penn-Dot to prove ownership of the property. Mr. Years stated that he has a clear title to the property of Veasey road that is next to his House. Mr. Years also stated that he would like the road sign change from Kane Road to read Grace Lane and not Veasey road at the section that intersects Mrs. Davie's property. Mr. Years also stated that he is going to dump a truck load of dirt on the portion of Veasey Road in front of his house. The Board advised Mr. Years that they are waiting for the report from Penn-Dot and that the road is their road and it is not a Township Road and would not make any decisions in regards to Veasey until Penn-dot issues their report.

Mr. Rohm 227 Sharon Grange Road

Mr. Rohm wanted to know if the 2012 budget included any money for the removal of non-conforming stop signs within the Township; the Board advised Mr. Rohm that there were no funds allocated in the 2012 budget specifically for the removal of stop signs. However as agreed upon by the safety committee non-conforming stop signs within the Township will be reviewed as roads are paved during road programs and money for those stop signs would be

included within the road paving budget. Mr. Rohm also questioned the revising of the street opening ordinance and wanted to know if it was going to be less restrictive. The Township engineer informed Mr. Rohm that the revised street opening ordinance would be more restrictive and would also include the water authorities to post cash or bonds annually. Mr. Rohm commented that pavers who paved Sharon Grange Road did a nice job.

9:09pm NEW BUSINESS NONE

9:10pm OLD BUSINESS

Commissioner Brain Rohm

Mr. Rohm asked solicitor Mike Jones to give him an update on the Lamar Advertising signs bill board case and how it was progressing. Mr. Jones informed Mr. Rohm that he has heard nothing new in regards to the case but would investigate the issue further and give him an update by the next workshop meeting.
