

HIGHLIGHTS Hopewell Township

Celebrating our Bicentennial!

1812 - 2012

OUR MISSION

The Board of Commissioners and employees of Hopewell Township thereby pledge to:

- Safeguard and strengthen the public's trust
- Provide the highest quality of community service in the most fiscally efficient manner
- Maintain fair and reasonable taxation by means of fiscal responsibility
- Utilize innovation and current technology to enhance public services
- Foster teamwork among township employees by means of implementing respectful and courteous relations in the work place
- Maintain an open channel of communications between municipal government and the public
- Develop realistic visionary goals that will move Hopewell Township into the future

DESCRIPTION OF HOPEWELL TOWNSHIP

FROM THE MANAGER/CONTROLLER

Meet Andy Brunette, Township Manager/Controller . . .

Andy is a graduate of Robert Morris University and the University of Phoenix and holds a Master's Degree in Business Administration. He and his wife, Lori, have been married 19 years and have a son and daughter. Andy coaches the Hopewell High School Tennis and Bowling teams.

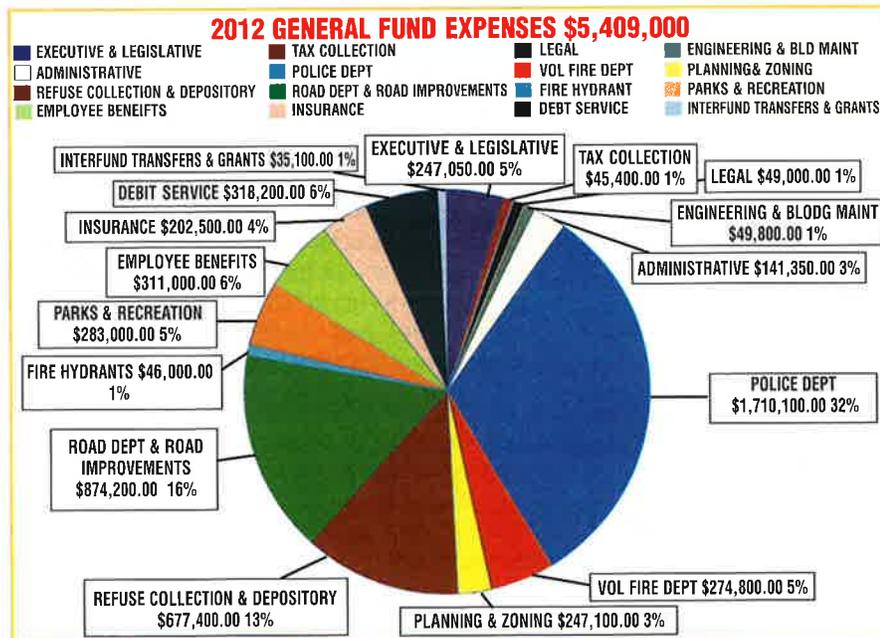

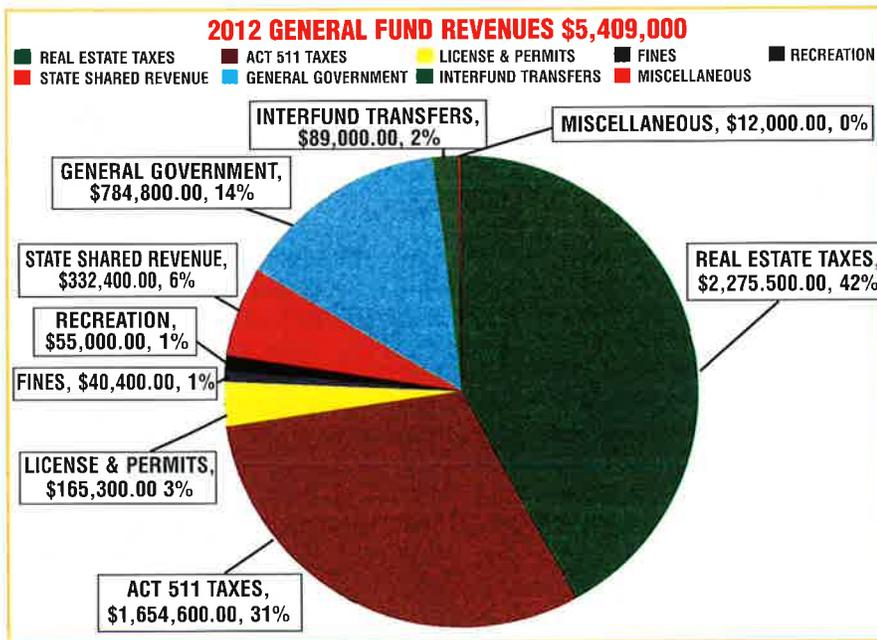

ANDY BRUNETTE

724-378-1460 x105
hopewellmgr@hopewelltp.com

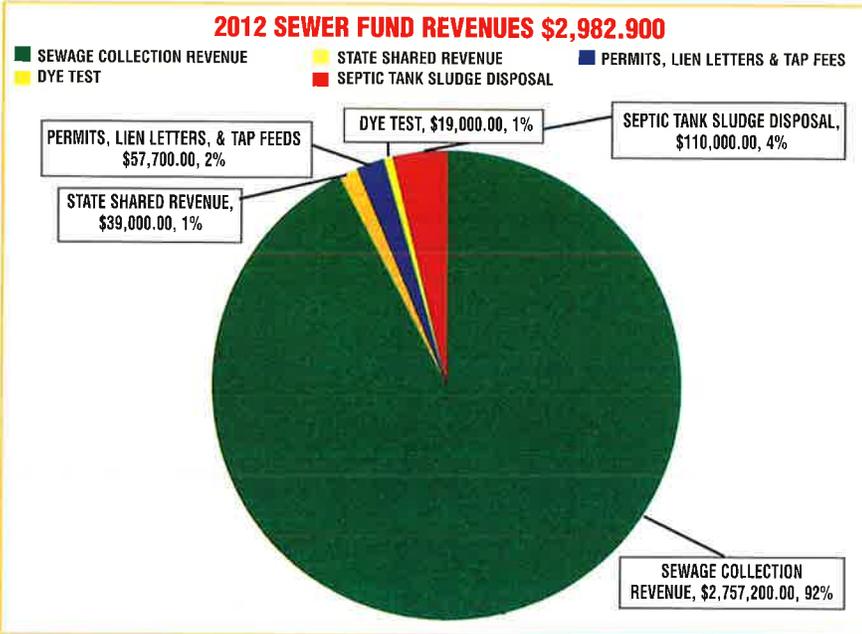

The 2012 calendar year presented many challenges for the Board of Commissioners, which was faced with the dilemma of transforming the Township into a more cost-efficient operating entity. As the cost of doing business continues to increase, it becomes more difficult to maintain the high quality level of service that the residents of Hopewell demand and deserve. In 2011 all Township departments were assigned the task to cut costs, work smarter, and be more efficient; with the efforts of department supervisors, Hopewell Township's overall 2012 expense budget was cut by 7% when compared to 2011.

The Board of Commissioners started the process of the restructuring of employee union contracts and health insurance plans in order to keep the township fiscally responsible for the long term. Because of an entire team effort of all Township employees, the Commissioners and Township management team were able to eliminate the scheduled fourth year sewer rate increase as well as maintain the Township real estate tax

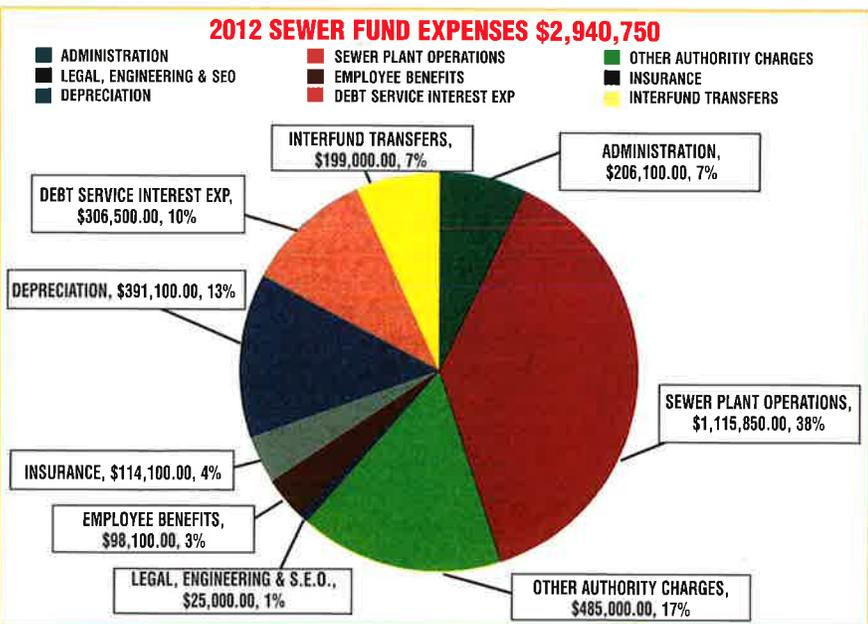

TOWNSHIP ADMINISTRATION

continued from page 2

In 2012 residents can look forward to new programs and advancements on the Township website. Please be advised that if residents would like to see something on our website that the Township currently does not offer, please email request to adminmgr@hopewelltwp.com. Hopewell residents are also reminded that they can add, change, or remove phone numbers from our 911 call message system by going to our website www.hopewelltwp.com and clicking on the Swiftreach 911 call system portal. Residents can also sign up to receive the emergency and important announcements via text message and by email alert messages through our website. Residents in 2012 can also sign up for ACH payments for payment of their sewage and refuse billing. Residents are also reminded that they have the ability to pay their sewer and refuse payments by credit or debit card at either www.hopewelltwp.com or www.hopewellbill.com.

In 2012 Hopewell Township plans to invest \$250,000 in Township Roads, as well as a \$500,000 investment into its Raccoon Sewer Treatment Plant to upgrade the plant's secondary aeration facilities with more effective and energy efficient-equipment; this upgrade is expected to tremendously reduce the Raccoon plant's electric usage, which is the plant's largest expense. Both projects will be completely financed through existing Township Funds. The Township will also continue to explore the development

of a G.P.S. (Global Positioning Satellite) to assist in the location of sewer and general infrastructure within the Township. The G.P.S. system will be a tremendous asset to the Township in order for the Township to better utilize its assets around the Township, as well as to help the workers to be more efficient. The Township also plans on building an additional pavilion this summer at its municipal building complex, as well as applying for a D.C.N.R. grant for improvements on the additional 17 acres of land that was acquired by the Township in 2011. Hopewell Township's Police Department can expect to receive a new 2012 Chevy Tahoe that will be purchased by Beaver County in accordance with 1998 intergovernmental cooperation agreement between the Township and the County. Township residents in 2012 will be able to put their grass clippings and leaves in any type of bag for curbside collection with their normal schedule garbage collection by Waste Management at no additional cost to the residents. The Township Administration office in 2012 will implement a photo ID system for the residents wishing to use the Township Depository; all residents who wish to use the Depository will be required to have a photo ID, this will require an annual fee of \$20.00 unless you are 65 years of age or older, and then you will be exempt from the annual fee, but will still be required to have a photo ID in order to enter the Depository. The Administration phone system will be revamped to be more user friendly. The Township Administration department will also offer a low income grant sewer assistant program for residents who qualify to help lower income residents pay for their sewer usage. The Administration office in 2012 will be working on a new call complaint system where residents will be able to log in complaints via the Township website, receive a confirmation of receipt, and email confirmation when the complaint has been satisfied. The Township believes this system will help the Township be more efficient in responding to and tracking residential complaints.

Please remember, if you notice a street light that is out or blinking off and on, please report the pole number, or the street address that is closest to the pole, to the Township at (724)-378-1460, ext. 100. Please be reminded that the Township pays Duquesne Light for the street lights regardless if the light is working or not. Therefore, the Township appreciates your support in reporting any inoperable street lights when you see them.

Lastly, the Township is always looking for volunteers for various Boards, recreation and community activities it holds throughout the year. If you would like to get involved, please contact the office or stop by the Municipal building for more information.

A MESSAGE FROM THE PRESIDENT

As President of the Board of Commissioners for Hopewell Township, I would like to welcome all of the citizens of Hopewell Township to our 2012 Township Newsletter Bicentennial Edition. There is a lot of information throughout this edition for you to review and refer to for future reference. When questions come up with regards to any facet of Hopewell Township that you may be looking for answers or a contact name associated with a department in the township, you will find it in this newsletter. Please keep this 2012 Newsletter handy to refer to during the calendar year.

As far as where our township is going and where your Board of Commissioners are concentrating efforts in 2012 and beyond, I can assure you that this current Board is dedicated to seeking and finding every opportunity to better Hopewell Township. Myself, Vice President Rich Bufalini, Brian Rohm, Joe Kusnir and Nick DiPietro are united in providing our Township residents with the best municipal service possible, being fiscally responsible in keeping our Township budget in line and balanced, and always keeping the best interests of our Township residents in mind when making business decisions. This Board is proactive in working with our Township Manager, Andy Brunette, to bring new business to the Township that will spur growth and help our tax base. This Board continues to be in touch with and meets on a regular basis with the Beaver County Commissioners, as well as our state representatives, to look for avenues of new business for the Township, as well as find solutions to current issues that face our Township.

This is my ninth year as a member of the Board of Commissioners for Hopewell Township, and I can honestly say that we have come a long way in the nine years I have served on this Board. As you can read in Township

NORM KRAUS, JR.

Township Commissioner President

Norm is a graduate of Hopewell High School and holds a BA in Broadcast Journalism and Speech Communications. He and his wife, Margaret, have been married for 25 years and have three children. Norm is in his third term as a Hopewell Township Commissioner and is President of the Beaver County American Legion Baseball League, the Hopewell High School Baseball Boosters, and the Penn State Beaver Alumni Society Board. Norm is an active member of Our Lady of Fatima Church, Knights of Columbus, Hopewell Quarterback Club, the Penn State Alumni Association and the Nittany Lion Club.

Manager Andy Brunette's article, Hopewell Township is now at the forefront of many business ventures and initiatives in Beaver County, for the betterment of our Township residents. Every department in your Township, including Public Works, Police, Sewer and the general staff in the Township office, strives to provide you the best service and answers to any issues and problems you may encounter. On behalf of my fellow Commissioners, I want to thank and commend our employees of the Township for the service they provide all of us and the professional way in which all of our employees do their jobs.

In closing, I want to let all of you know that you can contact or e-mail any of us Commissioners or come to any of our Workshop or General Meetings to ask or inquire about any matters that you need assistance with or answers from our Board or any other department in the Township. Your Board of Commissioners is here to serve you and bring you the best possible management of our wonderful Township.

I would be remiss without mentioning that this is our 200th anniversary, the Bicentennial of our Township. It will be celebrated first on April 28th with a parade in conjunction with the Hopewell Baseball/Softball Association, as they kick off their new season. The celebration will continue at our four-day Park Fest, and you can find more details on Park Fest in the Newsletter. Come out and celebrate your Township's 200th birthday! We do have much to be thankful for in Hopewell Township so let's show the pride we have for the place we consider our home.

Sincerely,
Norm Kraus, Jr.
Hopewell Township Board of Commissioners President

TOWNSHIP ZONING & PLANNING OFFICE

MESSAGE FROM THE ZONING OFFICER

During 2011 Hopewell Township enacted new regulations concerning Oil & Gas Exploration, Timber Harvests and the Parking of Commercial Vehicles in Residential Districts. These new ordinances came about because of newly proposed future activities or because of activities that have caused problems for property owners in the past. Marcellus Shall Gas Exploration interest and activities continues to grow and other activities such as logging, has always posed a potential for property damage from soil erosion to stormwater concerns. Other perceived nuisances threaten to disrupt the peace and quiet of residential districts.

With that in mind, noting the above mentioned concerns, the Hopewell Township Board of Commissioners have painstakingly considered all available information and data and formulated new regulations to address the issues involved for the health, safety and welfare of the Township. The new ordinances can be found at www.hopewelltp.com or call or visit the Zoning Office for info.

JOHN BATES

Hopewell Township
Zoning Officer
Emergency Management
Coordinator
724-375-3112 x107
zoningofficer@hopewelltp.com

Finally, in closing this Spring 2012 Newsletter Report, I hope everyone has a safe and prosperous summer and year ending 2012. I would like to thank all property owners, residents and visitors for your attention and compliance and for making Hopewell Township a great place to live, work & play.

Sincerely,

John Bates
Zoning Officer

To all property owners, residents and other persons reading this article, Greetings from the Township Zoning Office !!! I hope everyone finished 2011 in good health and I wish you the same in 2012. As we listen to the candidates during this Presidential Election Year, it seems as though we have a lot to look forward to upcoming in 2012. Hopefully, some good projects will come to Hopewell Township !!!

DEVELOPMENT REPORT

Speaking of projects, Maronda Homes is getting close to completion of Phase II of the Sweet Briar Plan of Lots located on Sohn Road. The Subdivision Plan is Beautiful !!! Hurry and make plans and you can still build a home there. Next, Minton & Sons has lots available in the "Village at Beaver Lakes" as he continues to build 32 Patio Homes on Shadow Lakes Golf Course. Currently, the Mercer County Partnership for Economic Development is completing the Forty (40) Unit Seniors Housing "Westfield Towers" located on Westfield Drive near the Hopewell Exit of RT 376. As these projects continue or near completion, the Township looks forward to new residential tracts being developed.

On the Non-Residential Building Side, 2011 saw the development of a new Dollar General Store location at Brodhead Road near 5 Points and a new NAPA Auto Parts Store in the same area that is now being finished. Darroch's Funeral Home on Mill Street has remodeled their parlor and some activities have occurred at the area shopping centers. Jamie's Physical Therapy located in the Hopewell Shopping Center and other prospective tenants are looking at the Brodhead Road location. The Green Garden Plaza is entertaining a new major restaurant tenant which should be developed soon. Also at Green Garden, Unis Chevrolet & Buick is planning a major dealership upgrade remodeling. Finally, the Township is in good position for future Industrial Development in the Riverfront Industrial District and our Industrial Parks and always looks forward to any upcoming plans for development. 2012 could bring about some exciting new beneficial projects.

TOWNSHIP ORDINANCE INFORMATION

The purpose of the following ordinances found in this report are to promote, protect and facilitate the public health, safety, general welfare and practical community development in order to accommodate reasonable overall community growth and to prevent blighting conditions and hazards These are the basic provisions of Community Development Objectives on which these Ordinances are based.

Building / Zoning Permits

A Building / Zoning Permit shall be required prior to the beginning of the erection, construction, alteration or addition to any building or portion thereof situate in Hopewell Township.

- Zoning Permits are issued for sheds, decks, out buildings, fences and other accessory projects.
- Please apply for the proper permit prior to the commencement of your project.
- It is illegal to erect a fence without a Zoning Permit.
- Violator's could be made to remove the construction and be cited before the District Magistrate.

continued on page 6

If you need to apply for a Building or Zoning Permit, don't wait until the last minute or start the job first. Planning is very important. It is possible that you may not be able to do the project exactly the way you wanted because of zoning or subdivision regulations. This oversight can be timely and costly. Take the time to inquire. Call the Zoning Office at 724-375-3112.

HOPEWELL TOWNSHIP ZONING ORDINANCE 2004-01

Rules and Regulations

The following information is some of the most basic regulations that are found in the Hopewell Township Zoning Ordinance 2004-01. These rules are in effect and are to be complied with by all property owner's or user's of real property within Hopewell Township. These regulations have been formulated over the years and are provided for the health, safety and welfare of all of Hopewell Township. For a complete look at the entire Zoning Ordinance, please see the Planning & Zoning link on the Hopewell Township Website at Hopewelltp.com

ARTICLE XXII "SUPPLEMENTAL REGULATIONS"

SECTION 2200 "CELLAR DWELLINGS"

No living quarters other than a game or recreational room shall be placed in a cellar structure having less than one-half its height (floor to ceiling) above the average ground level as measured from front to rear of the structure,

SECTION 2201 "CLEAR SIGHT TRIANGLE"

In order to prevent the creation of a traffic hazard by limiting visibility at a street intersection, no structure, building, earthen bank or vegetation exceeding two and one half (2 1/2) feet in height above the finished paved area at the center of the roadway shall be allowed within the clear sight triangle on corner lots.

The clear sight triangle is a triangular area of unobstructed vision on corner lots formed by a seventy-five foot (75') sight line along the centerline of a local street and by a line joining these two sight lines at the greatest distance from their intersection. This entire area is to remain clear of obstructions to sight above a plane established two and one-half feet (2 1/2') in elevation from grade level at the intersection of the street centerline.

In simpler terms, you cannot block street intersections with trees and shrubs on corner lots.

SECTION 2202 "CONSTRUCTION OF AN ACCESSORY BUILDING"

No accessory building (sheds, garages, out bldg.) shall be constructed upon a lot until the construction of the principal building (home, commercial bldg.) has actually commenced. No accessory building shall be used for residential purposes. (apartments above a detached garage)

SECTION 2203 "FENCES HEDGES AND BUFFERYARDS"

In consideration of the health, safety and welfare of the residents of Hopewell Township, no person, corporation, partnership, company or other entity shall construct, install, add to or alter a fence, wall or other barrier or any combination thereof in Hopewell Township.

There are regulations relating to positioning, clear sight triangles, height, construction standards, treatment of metal, and maintenance listed in Zoning 2004-01. The erection of fences requires the issuance of a Zoning Permit. The cost of a Zoning permit to erect a fence is \$15.

SECTION 2204 "GENERAL STORAGE"

No lot or premise shall be used as a storage area for junk automobiles, appliances or the storage or collection of any other miscellaneous items unless permitted under the Industrial District. Also, no lot or premise shall be used as a garbage dump or dead animal rendering plant nor any manure, rubbish or miscellaneous refuse be stored in the open within any district where the same may be construed as a menace to the public health or safety.

SECTION 2206 "JUNK YARDS"

All junk yards existing at the effective date of the Ordinance (1961) and all new junk yards, where permitted and approved by a Conditional Use Approval shall comply with certain provisions relating to position to adjoining properties, buffers, safety for access of fire fighting equipment, stormwater pooling, burning, public or private nuisances, offensive or noxious sounds or odors, nor to cause the breeding or harboring of rats, flies or other vectors.

SECTION 2207 "PATIOS"

A "Patio", may extend into the front, side or rear yards of the principal building. A patio is not considered a part of the principle building and is, therefore, permitted to extend into any required yards. A patio is defined as an outside surfaced area having no roof and no more than three (3) sides walled or fenced. The construction of a roof to any building is considered an "addition" and requires the issuance of a Building Permit. Roof additions must comply with the yard requirements listed by zoning districts in Zoning 2004-01.

TOWNSHIP ZONING & PLANNING OFFICE

continued from page 6

SECTION 2208 "PRIVATE SWIMMING POOLS"

The pool is intended and is to be used solely for the enjoyment of the occupants or guests of the principal use of the property on which it is located. The pool may be located in the rear or side yard of the property. It may not be located closer than ten (10') feet to the rear property line nor closer to a side lot line than the required side yard depth of the principal use.

Most importantly, the swimming pool shall be walled or fenced or otherwise protected as to prevent uncontrolled access by children from the street or from adjacent properties. Said barrier shall not be less than four (4') feet but not more than six (6') in height and maintained in good condition with a self-latching gate.

SECTION 2209 "RECREATIONAL VEHICLES AND RECREATIONAL EQUIPMENT"

Trailers including travel trailers, pickup coaches, motorized homes and boat trailers may be parked or stored subject to; 1) Camping and Recreational Equipment belonging to persons other than the owner of the property may be temporarily parked on a residential property in residential districts provided a temporary trailer parking permit is obtained. Temporary trailer parking permits shall be limited to a maximum of one (1) consecutive two (2) week period in any one (1) calendar year. 2) Permanent parking and storing of camping and recreational equipment shall be limited to that portion of the lot behind the principal building (rear yard).

SECTION 2210 "MOBILE HOMES"

Mobile homes on single lots outside of a mobile home park shall be provided with masonry or concrete foundation piers or reinforced concrete footers and held to the foundation by tie-down imbedded in concrete screw augers or other Code approved methods. Mobile homes shall be skirted within thirty (30) days of arrival on the lot.

SECTION 2213 "HOME OCCUPATION"

No exterior changes shall be made to the principal residential building or accessory structure to accommodate a home occupation and a maximum of twenty-five percent (25%) of the gross floor area of the dwelling may be used for the home based business. No more than one (1) person not a resident may be employed. No goods shall be publicly displayed on the premises. Parking and Signage shall be in compliance with 2004-01. Such incidental uses shall include, but not limited to, the practice of law and engineering, artists, barbers, beauticians and animal grooming excluding the boarding of such animals in kennels or stables.

SECTION 2214 "TEMPORARY USES"

Only the following uses are permitted temporarily (from a period of one (1) to four (4) weeks in one (1) calendar year; 1) Christmas tree sales in Commercial Districts, 2) Carnival, circus and street fairs in Commercial or Industrial Districts and 3) Mobile amusements and lighting equipment for promotion, advertisement and grand openings in Commercial or Industrial Districts.

SECTION 2217 "PERFORMANCE STANDARDS"

No use, land or structure in any district shall involve any element or cause any condition that may be dangerous, injurious or noxious or cause offensive odor, smoke, dust, dirt, noise vibration, glare, excessive traffic, attract vermin or rodents or constitute a nuisance or be a detriment to the health, safety, moral or general welfare of the community or to any other person or property in the Township.

OTHER INDIVIDUAL TOWNSHIP ORDINANCES

SPECIFIC ORDINANCE REGULATIONS

Please be advised:

- **ORDINANCE NO. 96-12** requires all property owners to identify the address number of their properties by posting the address number (four inch) that is clearly visible from the street. It is very important that emergency vehicles can find your location quickly. This is difficult, especially at night. A small number posted on a porch that is 100 feet from the road and covered with shrubs DOES NOT COUNT! If I were to canvas the Township tomorrow and cite structures in violation, would you be one of them??
- **ORDINANCE NO. 93-1** restricts the use of motor vehicles on private property within the Township. Whereas, the operation of motorcycles, motorbikes, motor-scooters, all terrain-vehicles (ATV'S) and snowmobiles upon private property, other than the private property of the operator, is a private trespass, a private nuisance, an invasion of privacy and a public nuisance. Likewise, for the operation of property owned by Hopewell Township. Therefore, it is unlawful for any person to operate any motor vehicle as described, upon any private property without the permission of the owner or owners thereof or without the permission of the proper Township Officials for township property.
- **ORDINANCE NO. 93-9** mandates the use of watertight receptacles with a tight fitting cover to be used for all garbage and refuse collection. Further, receptacles should be placed at curbside no more than twelve (12) hours prior to the expected collection of the contractor. Receptacles cannot be permanently stored curbside or stored in the front yard.
- **ORDINANCE NO. 93-10** prohibits outdoor burning of any kind with two exceptions. They are 1.) having a permit from the Department of Environmental Resources or 2.) a fire that is maintained for cooking purposes. Also, the Fire Marshall may prohibit any or all outdoor fires when atmospheric conditions or local circumstances make fire hazardous.

- **ORDINANCE NO. 77-6** requires dog owners to clean up and dispose of in a sanitary manner, dog waste. You cannot let dog waste accumulate in your yard. Also, be prepared to clean up after your dog when walking through the neighborhood or on any private property, i.e. the schools, playgrounds, pools, picnic areas, etc.

Next, you cannot let your dog repeatedly bark so as to disturb the peace and quiet of the neighborhood. This is considered a nuisance by the ordinance and you could be cited.

Finally, the PA Dog Law mandates that you keep your dog under control at all times. This is the rule sometimes referred to as the "Leash Law". Dogs are not permitted to run free. This law is enforced by the PA Dog Officer from Beaver County.

- **ORDINANCE NO. 79-6** regulates grading, fills and excavations. You can not "grade" and especially "fill" your property without a permit. There are standards and minimum requirements to meet before you would need or be applicable for a permit to be issued. The important thing is that you inquire. Grading and filling often results in damaging outcomes for which you could be liable. Slip and slides of loose soils and stormwater damage often occur with improper grading and filling.
- **ORDINANCE NO. 08-03** allows for the use of a portable storage unit to be placed at your property when needed. The ordinance allows for one (1) unit to be placed at your location two (2) times a year. A Temporary Portable Storage Unit Permit is necessary. There is no charge.
- **ORDINANCE NO. 08-13** requires that owners of real property abutting a sidewalk shall keep the sidewalk in good order and repair. If there is a sidewalk located along the frontage of your lot, you are liable for the repair of the sidewalk. Loose, deteriorated, cracked and broken sidewalks must be repaired. The areas of the township that have sidewalks are fortunate that residents and children do not have to enter the street, please repair your sidewalk if necessary.

- **ORDINANCE 72-10** regulates the cutting of grass, weeds and all ground cover vegetation. As always property owners should survey their properties and trim and cut back any hedgerows or tree branches that block the view of the street or the sight distance from their neighbor's driveway. This is especially important at street intersections where there should be an unobstructed view (clear sight triangle) of seventy-five (75') to one-hundred-fifty (150') feet, depending on the type of road.

- Likewise, the right-of-way areas around fire hydrants should be maintained and kept clear.
- If you have a sidewalk located along the frontage of your property, the sidewalk must be kept clear for travel and safety. Hedges and shrubberies are not allowed to grow out over the sidewalk making them inaccessible for use. Please survey your property and cut the vegetation.
- Next, the storage of yard waste, not properly composted, is a nuisance and can be very offensive especially during the hot summer months. Please be advised that the dumping of yard waste on private property is prohibited. Please use the Sohn Road Depository for the disposal of yard waste.
- Concerning composting, there is a proper way in which to compost yard waste to produce topsoil. Please see a quick reference guide in order to achieve desired results.
- Please be reminded that if you have a stormwater inlet located on the street in front of your home or at a street corner, the inlet must be kept clear of all matter that might clog the stormwater flow. It is not permitted to cut grass, weeds and groundcover vegetation onto the street and into the inlet. Leaves should be kept away from the inlets in the fall. Restricting the storm sewers can cause serious problems and property damage.
- Maintenance of Yards, Adjacent Undeveloped Property. The owner or lessee of the property, whether occupied or vacant located within or adjacent to any developed area, shall maintain such premises so that all portions of the property shall be kept free of junk, debris, disabled motor vehicles and dangerous or noxious material.

Hopewell Township **LIONS CLUB** has an invitation for you!

Come join our team of community members in our mission of helping the blind and the sight impaired.

What do we do? Our work as community activists supports the mission of the Lions club by:

- Providing monies for glasses to those in need who cannot otherwise afford them.
- Volunteering to assist with vision screening to pre-school and kindergarten children.
- Providing financial support and helping hands to Beacon Lodge, a recreation camp for the sight impaired.
- Supporting the training of and helping to provide leader dogs for the blind.

Does your community spirit need re-energized? Why not come to a meeting and see what it means to be a Lion. We meet on the first and the third Wednesday of the month at the J.W. Halls Restaurant in Hopewell Township. The meeting starts at 6:30 PM and we always make time to enjoy a pleasant meal together. If you would like more information on becoming part of this team of community minded folks, please contact Mary Lou Isabella at (724) 375-8551.

If we do a little . . . imagine the possibilities!

CAMP LAKEWOOD

Camp Lakewood is more than just a time for children ages 4-13 to experience the great outdoors and learn camping skills. The Hopewell Recreation Staff is trained to encourage each child to reach their highest potential while having fun in a safe environment that promotes interest in nature, community and teamwork. Kids participate in age-appropriate themed activities including games, crafts and special events.

Camp Lakewood is held at Hopewell Community Park Monday through Thursday with a sleepover on Thursday night when the fun begins at 8:00 p.m. and concludes at 8:00 Friday morning. The fee is \$35 for students in the Hopewell Area School District and \$50 for out-of-district students.

SESSION	DATES	TIME	AGE GROUP
Session #1	June 11 – 15	10:00 am - 1:00 pm	Ages 4-8 (snack provided)
Session #2	June 18 - 22	10:00 am - 2:00 pm	Ages 9-13 (bring a lunch)
Session #3	June 25 – 29	10:00 am - 1:00 pm	Ages 4-8 (snack provided)
Session #4	July 9 - 13	10:00 am - Noon	Ages 4-8 (snack provided)
Session #5	July 16 - 20	10:00 am - 2:00 pm	Ages 9-13 (bring a lunch)
Session #6	July 23 - 27	10:00 am - 1:00 pm	Ages 4-8 (snack provided)
Session #7	July 30 - August 3	10:00 am - 1:00 pm	Ages 4-8 (snack provided)
Session #8	August 6 - 10	10:00 am - 2:00 pm	Ages 9-13 (bring a lunch)

*Sessions for 4-8 year olds are limited to 20 campers.
Sessions for 9-13 year olds are limited to 30 campers.*

Reservations are made on a first come-first served basis. Limited to one session per child. You may choose a second session and be placed on a waiting list.

HOPEWELL TOWNSHIP COMMUNITY PARK

Located on Laird Road, which connects to Kane Road and Brodhead Road

Hopewell Community Park encompasses 61 acres of primarily undeveloped woodlands, fields, and wetlands. Purchased in 1967, all recreation for the community is centralized at this site and is coordinated through the efforts of the Recreation Director and Hopewell Park Board, under the auspices of the Board of Commissioners.

FEATURES:

- Larry Blaney Nature Center
- Four pavilions
- Five hiking trails
- Playground
- Restrooms
- Picnic areas
- Concession Stand (Open for special events)
- Handicap accessible fishing pier
- Camping areas (for authorized groups)

The Park Board meets the first Tuesday of each month at 6:00 p.m. at the Municipal Building.

RECREATION DIRECTOR: Pam Fiejdasz

HOPEWELL COMMUNITY PARK-RULES & REGULATIONS

1. Park hours are 8:00 am to 10:00 pm-winter 8:00 am until dusk.
2. No bench or table is to be changed or removed without township approval.
3. Do not deface, injure, remove, cut or damage any of the trees, plants, shrubs, turf, buildings or fixtures.
4. Do not annoy others in the park.
5. No persons or group totaling 10 or more can gather in the park without a permit.
6. Use of shelters by permit only. Each permit requires a deposit and rental fee.
7. **ALCOHOLIC BEVERAGES are RESTRICTED.** Alcohol maybe consumed if the following condition is met. More food than alcohol is present.
8. The exclusive use of alcohol is not permitted in the park.
9. Do not set up a booth, table, or stand for the sale of any articles without written township permission.
10. No dumping of garbage, waste or litter in the park.
11. Do not deface any posted notice or regulation.
12. Do not place any notice or place card without township approval.
13. No open fires permitted. Fires only made in stoves or special fireplaces provided. Charcoal or wood fires only. Do not use park wood.
14. No firearms archery sports or other propelled devices in the park.
15. No hunting or trapping.
16. No unlicensed vehicle and/or cycle in the park.
17. Do not bring pets into the park.
18. No swimming, skating, sledding or boating in or on the park or lake property, unless approved by the township.
19. Do not exceed the 5mph park speed limit. Do not park in the grass or along the park road areas.
20. Do not climb, it. Stand or walk on any tree, sign, building or other park structures
21. No tents, shack, shelters, trailers or other overnight camping structures permitted unless approved by the township.
22. No hobby devices in the park unless approved by the township.
23. No "live bait" fishing.

Violations of any of the above rules and regulations shall result, upon conviction, of a fine up to \$300.00 and costs of prosecution for each and every offense. **NOTICE:** Please call the Hopewell Township Police Department or the Park Caretaker if you see any violation. Your help and concern will make our community park a better place to visit and enjoy.

RULES FOR OUTDOOR BURNING

OUTDOOR BURNING- no outdoor fire/burning of any nature or for any purpose shall be kindled or maintained in the township of Hopewell except as listed in the following:

- a) an outdoor fire may be maintained if done so pursuant to a permit from the Department of Environmental Resources; any such fire shall only be maintained within the strict confines of said permit.
- b) An outdoor fire maybe kindled and maintained for cooking purposes so long as said fire is maintained only for cooking purposes.

Not withstanding any other provision of this section, the Fire Marshall may prohibit any or all outdoor fires when atmospheric conditions or local circumstances make such fire hazardous.

Pavilion Rental Information

Pavilions can be reserved beginning in mid-February of each year. To make a reservation, bring TWO checks to the municipal building. The first check is for the pavilion rental. The second check is a \$50 SECURITY DEPOSIT. The security deposit will be returned to you usually within two weeks after your rental provided the pavilion area is left in good, clean condition and any equipment (volleyball, horseshoes, etc.) is returned. For available dates, you can stop by or call the Municipal Building or check the Park Calendar on the township website. RESERVATIONS CANNOT BE TAKEN OVER THE PHONE. Checks need be brought to the Municipal Building in order to secure your date and pavilion.

Location	RENTAL FEES:	
	For Township Residents	For Non-Residents

2012 Things To Know

The Township now offers ACH (automated clearing house) to anyone who would like to have their sewer and refuse bill paid automatically each quarter. The application is available on line at www.hopewelltwp.com or in the municipal office at 1700 Clark Blvd. (724-378-1460)

The Township passed Resolution 2012-02 covering the Depository process on February 13th, 2012. A photo id issued by the municipal office will be required to gain access to the depository. The yearly fee is \$20.00 and must be renewed at the beginning of each calendar year. Residents 65 years of age or older will be exempt from the annual fee. Residents that bring contractor material to the depository will be charged additional fees (as stated in the resolution). No commercial vehicles are permitted to use the depository.

There is an after-hours/weekend drop box located at the entrance to the main parking lot, adjacent to the police station entrance.

RESOLUTION NO. R-2012-02

BE IT RESOLVED by the Board of Commissioners of the Township of Hopewell, a Municipal Corporation situate in the County of Beaver and the Commonwealth of Pennsylvania, and IT IS HEREBY RESOLVED:

There is hereafter imposed a mandatory annual fee of \$20.00 for use of the Depository by any Township resident. Any Township resident wishing to use the Depository must personally go to the Municipal Building on an annual basis to obtain a photo identification card. This card must be renewed annually at the beginning of each calendar year. This card must be presented at the Depository each time that a resident seeks to enter the Depository to deposit yard waste or construction material. Residents who are 65 years of age or older are exempt from the annual \$20.00 fee but must nevertheless obtain a one-time photo identification which will reflect their exemption and which will not require annual renewal. No person will be permitted to enter the Depository without a photo identification card. The Township retains the right to suspend, terminate or revoke Depository privileges at any time.

Residents that bring contractor material to the depository will be charged as follows:

Pick-up-truck Small size	Fully Loaded - \$20.00	<u>Depository Schedule</u> April 2 - November 3: 10 am - 6 pm Monday, Thursday, Saturday
	Half Loaded - \$10.00	
Pick-up-truck Large size	Fully Loaded - \$40.00	November 5 - December 1: 9 am - 5 pm
	Half Loaded - \$20.00	

The Depository will be closed for the months of January, February and March 2012

All non-commercial dump trucks with yard waste or construction material- \$50.00

The amount loaded into pick-up-trucks will be determined by the depository guard.

No commercial vehicles are permitted to use the Depository. Residents may not use their privileges to deposit waste materials obtained as a result of commercial enterprise. If a resident is suspected of attempting to deposit such materials privileges will be suspended.

Recycling materials brought to the Depository by residents will be accepted free of charge.

This Resolution is resolved, enacted and shall be effective this the 13th day of February, 2012.

Attest: 
Andy Brunette, Township Manager
Hopewell Township

Norm Kraus, Jr., President
Hopewell Township Board of Commissioners

COMMUNITY TIRE COLLECTION

Sponsored by the Independence Conservancy & Hopewell Township

FRAUD ABUSE HOT LINE

The Hopewell Township Manager/Controller is the financial watchdog of your township tax dollars. However, there may be occasions when you may be aware of inefficiency, fraud, waste, or mismanagement of your township tax dollars:

There are three ways for you to report these types of suspected abuse:

- Call the anonymous hotline at (724) 378-2980
- Call the Manager/Controller at (724) 378-1460 ext 105
- Email us at Email Fraud/Abuse Hotline

POLICE NEWS

Golf Outing

On June 24th, 2011, we will again sponsor our annual fundraiser GOLF OUTING. We do this to raise monies for officer training, equipment, and sponsorships for various youth sports teams and programs, including our Hopewell Recreation Department. If you would like to enter a team in this year's event, please contact Officer Jim Lewis at 724-378-0557.

VOTING DISTRICT LOCATION

For information on finding your voting district location, please direct yourself to:

<https://www.pavoterservices.state.pa.us/Pages/PollingPlaceInfo.aspx>

(Please note that this is a State sponsored site. Hopewell Township does not service this site)

HOPEWELL TOWNSHIP VOLUNTEER FIRE DEPARTMENT

The Members of the Department are always training, accumulating about 200 hours yearly per person. This entails outside trainings through county and state agencies as well as in house training. There are 30 active members, 9 Life members and 6 Administrative members currently on the roster. The Life members have always been the back bone of the Department and are some of the original founding members.

We are always taking on new members that are willing to give their time to help and serve their neighbor and fellow man. We provide training, schooling and the ability to meet new people and make new friends along with the self satisfaction one will gain. We do all of this without one cent of pay!

FIRE MARSHALL	TIM DIETZ	724-561-2313
PRESIDENT	DAN CATON	724-378-9445

The next time you get a glass of water from your faucet, think about this. Most of our drinking water comes from our rivers.

When the rain falls and the snow melts, the water runs off our roofs and yards, down into our streets and roads. Anything in the path of this storm water goes straight down our storm drains. And right into our rivers. Trash. Paint. Oil. Fertilizers. Animal waste. All of it is flushed into the same rivers we get our drinking water from.

But there are solutions. Dedicated people and municipalities are working on it right now. And you can help.

Properly dispose of harmful chemicals, paints and motor oils instead of pouring them down storm drains. Replace chemical fertilizers with organic ones and use them sparingly to reduce harmful runoff. Don't put animal waste into storm drains.

For more information, contact your municipality or visit our website. And tap into ways you can help.

WATER POLLUTION CONTROL DEPARTMENT

The Hopewell Township Water Pollution Control Department operates two (2) wastewater treatment facilities, nine (9) wastewater pumping stations, and the wastewater collection system within Hopewell Township. The Raccoon Creek Wastewater Treatment Facility is located on Pollack Lane and is designed to treat an average daily wastewater flow of 2,500,000 gallons per day and a maximum daily wastewater flow of 12,000,000 gallons per day. The Raccoon Creek Wastewater Treatment Facility serves approximately 3,678 homes and businesses within Hopewell Township. The Wickham Village Wastewater Treatment Facility is located off Diamond Street and is designed to treat an average daily wastewater flow of 120,000 gallons per day and a maximum daily wastewater flow of 1,000,000 gallons per day. The Wickham Village Wastewater Treatment Facility serves approximately 290 homes within Hopewell Township.

Hopewell Township, like many neighboring municipalities, is taking steps to improve the wastewater collection and treatment system through improved operation and maintenance. Accordingly, Hopewell Township has developed Sewer System Rules and Regulations that set forth requirements for connection to the sanitary sewer system and discharge requirements.

1. **A primary focus of Hopewell Township's efforts is the removal of surface water and subsurface water from the wastewater collection system.** The discharge of storm water, surface water, and subsurface water or the connection of downspouts, roof drains, surface drains, areaway drains, foundation drains, interior french drains, stairwell drains, and/or sump pump discharges into a sanitary sewer lateral is absolutely prohibited by our existing legislation. Entrance of this excess flow into our sewer system causes the capacity of the sewer lines, pump stations, and wastewater treatment facility to be exceeded, thereby causing untreated sewage to overflow from the system and discharge into nearby streams and waterways, thereby adversely affecting our environment.
2. **Oil and grease are not permitted to be discharged into the sanitary sewer system.** Oil and grease solidifies within the sewer system and can cause sewer system obstructions and the backup of sewage into homes. Oil and grease should be properly disposed of by homeowners and businesses. Commercial establishments that engage in the preparation of food should install appropriate oil and grease separators.
3. **Any alteration or replacement of a sanitary sewer lateral requires the issuance of a Restoration Permit by Hopewell Township.** Hopewell Township has established specifications regarding construction of sanitary sewer laterals. These specifications and Standard Drawings are available on the Hopewell Township web site at www.hopewelltp.com. Any alteration or replacement of a sanitary sewer lateral must be inspected by Hopewell Township.
4. **A Certificate of Compliance is required to be obtained from the Hopewell Township Sewer Department prior to the sale or transfer of improved and sewered real property.** The purpose of a Certificate of Compliance is to verify conformity with Hopewell Township regulations regarding the exclusion of surface water and subsurface water from the sanitary sewer system. Applications are available on the Hopewell Township web site at www.hopewelltp.com. After payment of the required fee, Hopewell Township personnel will conduct a dye test of all roof drains, downspouts, parking area drains, driveway drains, area drains, interior/exterior sumps, and any other potential sources of surface water or subsurface water. If the property passes the dye test, a Certificate of Compliance is issued and is valid for a period of five (5) years from the date of issuance.

StormwaterPA

Hopewell Township has been designated as an MS4 Community by the Pennsylvania Department of Environmental Protection. MS4 stands for SMALL MUNICIPAL SEPARATE STORM SEWER SYSTEMS. As part of this designation, Hopewell Township is responsible to:

1. **Provide Public Education** regarding the direct connection between the storm sewer system and the Ohio River, Raccoon Creek, and Flaugherty Run.
2. **Solicit Public Participation** to "getting the word out" about the benefits of protecting of the watersheds within Hopewell Township.
3. **Conduct regular inspections** of each storm sewer discharge to identify, report, and correct any inappropriate release of materials into Waters of the Commonwealth.
4. **Reinforce existing procedures to address erosion and sedimentation control** during construction projects.
5. **Reinforce existing ordinances to provide for construction and maintenance** of storm water facilities, such as ponds and basins, that provide post-construction storm water management.
6. **Establish pollution prevention and good housekeeping measures** for municipal vehicles and equipment.

Hopewell Township is completing its inspection and reporting activities for the 2010/2011 reporting period. Residents are reminded that the storm sewer system works wonderfully for both storm water and for any inappropriate item that enters the storm sewer system. Every gum wrapper, pop can, and drop of spilled motor oil that enters the storm sewer system is efficiently delivered to our rivers and streams. Hopewell Township is asking each resident to review their daily activities and to be cognizant of any inappropriate discharges. We should all strive to insure that the source of our drinking water be kept as clean as possible, free of fertilizers, pet wastes, oils, and cleaning chemicals.

HOPEWELL TOWNSHIP

As a Valued Customer of Waste Management you Enjoy Single-Stream Recycling.
All of your recyclables can be placed together in the same bin! No sorting required!

- REGULAR CURBSIDE COLLECTION:** Garbage and refuse should be placed at the curb the night before your scheduled pick-up.
- GUIDELINES FOR COLLECTION:**
 - Garbage should be in properly secured containers or plastic bags.
 - All furniture items, appliances, household goods and disassembled children's swing sets will be accepted at curbside.
 - Carpet should be rolled and tied in lengths not to exceed 48 inches so that one man can lift.
 - Empty paint cans and/or dried paint is acceptable. Paint can be dried by air drying or soaking up with newspaper or kitty litter. Lids should be left off.
- EXCLUDED ITEMS:**
 - Building material may be picked up for a fee by calling Waste Management at 1-800-866-4460
 - Tires
 - Automobile parts including wheel rims.
 - Trees and branches.
 - Ashes from furnaces and fireplaces.
 - Stones and dirt, liquid paint.
- RECYCLING:** Recyclables should be placed loose in a single container. **SINGLE STREAM RECYCLE:** Residents do not have to separate the plastics - type 1 through 7, metals, glass and papers. **ACCEPTABLE ITEMS INCLUDE:**
 - Metal: Metal food cans, aerosol cans (empty), aluminum foil and foil products (clean), beer and soft drink cans
 - Plastic: Plastic baby wipe containers, bleach, detergent, household cleaner bottles, yogurt cups, cottage cheese, margarine tubs, shampoo bottles
 - Glass: Beverage bottles and food jars (clear, brown, amber and green)
 - Paper: Paperboard boxes (cereal, tissue, shoes, etc.), white office paper, computer paper, magazines, newspapers, advertising inserts, junk mail (including envelopes), catalogs, phone books, paperback books, coupons and receipts, paper bags and shopping bags (handles removed), corrugated, note: corrugated must be tied or bundled and no fin longer than 14" x 14". Recyclables will be picked up every other week on your regular garbage pick-up day. The municipality will be divided into two sections, (a) and (b). Please refer to the street listing (on reverse) to be sure when service will be provided and refer to the calendar below.
- SPECIAL BACKYARD SERVICE.** All residents who require special back yard pick-up must contact the Township accompanied by signed doctor's prescription. All residents with doctor notices for special pick-up please contact the Township when special pick-up is no longer required.
- HOLIDAY SERVICE:** if a holiday falls on a Monday through Friday, pickup for the rest of the week will be one day later than the usual day. Observed holidays for 2012 are: News Years Day, Memorial Day, Labor Day, Thanksgiving and Christmas Day. If the holiday should fall on a weekend, your pick up day will not be affected.
- APPLIANCES CONTAINING REFRIGERANT:** The contractor will collect such items as refrigerators, freezers, air conditioners, dehumidifiers, water coolers, etc.: however, the item must have a sticker certifying that the refrigerant has been removed. If it does not have the sticker, it will not be picked up because it is unlawful for the contractor to dispose of these items containing refrigerant. To save refrigerant removal costs, it is suggested that residents have the company delivering the new appliance dispose of the old appliance.
- QUESTIONS REGARDING REFUSE OR RECYCLING COLLECTION:** Call Waste Management of PA at 800-866-4460.

Effective January 1, 2012 the minimum quarterly garbage charge will be \$33.00. Vacant structures will be billed at this same rate.

We will be accepting ACH payments in 2012. Any questions or to set up ACH payments contact Hopewell Township Sewer and Refuse Department at 724-512-0156. Please look for your street name on either Schedule A or Schedule B for your recycling pickup date.

RECYCLING CAN NOT BE IN PLASTIC BAGS.

Bagged grass clippings and leaves will be picked-up curbside all year long in 2012.

HOPEWELL TOWNSHIP

1700 Clark Blvd. • Hopewell Township • Aliquippa, PA 15001
www.hopewelltp.com

Founded in 1812

THE HOPEWELL TOWNSHIP MUNICIPAL BUILDING IS OPEN FROM: 8:30 AM – 4:30 PM, MONDAY – FRIDAY

The Offices of Hopewell Township will be closed to observe the following holidays:
New Year's Day, Good Friday, Memorial Day, Independence Day, Labor Day, Veteran's Day,
Thanksgiving Day, Day after Thanksgiving, Christmas Eve, and Christmas Day

The following Commissioners' meetings are scheduled for 2012 at the Municipal Building:

- All "WORKSHOP MEETINGS" will be scheduled at 6:30 PM prevailing time on the second Monday of each month. The Workshop Meeting is also open to the public. However, this is more of an informal session where the Board of Commissioners has the opportunity to discuss issues in more detail with minimum interruption. The Commissioners may also vote to officially act on matters of interest.
- All "BUSINESS MEETINGS" will be scheduled for 7:00 PM prevailing time on the fourth Monday of each month. The Business Meeting is designated the forum for public opinion. The public is encouraged to express their complaints, suggests, etc. at these sessions. This meeting is also a voting session where the Commissioners are able to officially act on matters of interest.
