Debbie Trillow 102 McKenna Drive

Mrs. Trillow expressed her concerns over the condition of McKenna Drive and was disappointed that McKenna Drive was not on the 2013 Paving Program. Mrs. Trillow passed out a presentation of pictures and correspondences that she has had with the Township on the condition and safety of McKenna Drive. The Township Engineer and President of the Board Norm Kraus assured Mrs. Trillow that McKenna Drive is tentatively on the Road Program list for 2014. Mr. Kraus stated that the Township in the interim will have the Road Department hot patch the road temporarily. This summer the Township plans on fixing all of the storm drain and water issues on the road in preparation for paving in 2014, the extensive storm drain work must be completed first before any road paving can occur.
