

R7015-05

Commissioner Ciccone: Motion to approve Resolution 2015-05, a Resolution of the Township of Hopewell, Beaver County, Pennsylvania, recognizing and paying special tribute to Lois Davie and to convey our overwhelming appreciation and gratitude for her humanitarian efforts provided to the beautification and improvement of Hopewell Community Park. Mrs. Davie's numerous volunteer hours at Hopewell Community Park events have brought smiles to the faces and joy to the hearts of thousands of children and adults. Her concern and love for Hopewell Township is evidenced through her visits and regular cookie deliveries to the Municipal Offices and other community businesses. It is through her generosity that Lois has earned the distinction of our "Robert Steigerwald Volunteer of the Year Award" for the year 2014. This honor is presented yearly by the Hopewell Township Board of Parks and Recreation to a worthy citizen of Hopewell Township who volunteers self-sacrificing hours and conveys the same high morals and convictions of our friend, Bob Steigerwald.

Commissioner Tranelli: Second the Motion.

Motion Carried

Commissioner DiPietro presented the following as New Business:

- Arrangements for the Volunteer Brunch at The Fez are being finalized.
- At the next meeting, a motion will be needed to place a half-page advertisement in the Musical. The Park Board will place a full-page advertisement in the Musical.
- Normally, the fireworks contractor that is used for Parkfest is either Zambelli or Pyrotechnics. We typically choose the lower proposal. Last year we used Pyrotechnics and everyone seemed pleased. The Board of Commissioners has been satisfied with both contractors. Selection will continue to be based upon proposal price.
- The Park Board is considering having a Monte Carlo Night or Night at the Races or a Small Games of Chance ticket. Attorney Mike Jones is looking into requirements and legalities of these fundraisers.
- Applications for summer employees are being received.
- Commissioner DiPietro suggested that the advertisements on the web site be separated by department within their specific header. Recently, the Fire Department advertising for their Breakfast with Santa and the Park Board advertising for their Visit with Santa were a bit confusing as portrayed on the web site.
- A request was made to Commissioner DiPietro for porta-john placement at the new tennis court, blue booth across the street from the new tennis court, public tennis courts, and Sharon Grange Playground. Discussion ensued regarding whether the Township or School schedules the delivery of the porta-johns and payment of the cost of the porta-johns. Engineer Marie Hartman will research this information.
