Regulations

1. Auctions, garage sales, home sales, community yard/garage sales shall be limited to two per calendar year per residence or per property if said property is not the residence of applicant.
2. A permit to conduct an auction, garage sales, home sale, community yard/garage sale and yard sale shall be effective for not more than two consecutive days as listed on the face of the application and permit.
3. Goods offered for sale at an auction, garage sale, home sale, community yard/garage/sale and yard sale shall be owned only by the property owners where the sale is conducted.
4. It shall be unlawful to offer goods for sale belonging to non-residents, non-property owners, and/or non-applicants or members of their household, to sell in any auction, garage sale, home sale, community yard/garage sale, and yard sale, with the sole exemption of such sales conducted by a charitable organization.
5. Signs advertising the permitted sale shall be in compliance with the Township Zoning Ordinance in effect as to size.
6. No more than 3 signs advertising the sale shall be located off the permitted premises.
7. No more than two signs advertising the sale shall be located upon the permitted premises.
8. Signs advertising the sale shall not be erected more than or remain posted for longer than twenty-four hours prior to and after the sale respectively. **SIGNS ARE PROHIBITED ON ANY UTILITY POLE AND STREET SIGN. ANY SIGNS FOUND ON UTILITY POLES AND/OR STREET SIGN WILL BE IMMEDIATELY REMOVED BY THE TOWNSHIP.**
9. A Permit issued hereunder does not, under any circumstances, authorize placement of goods for sale on any sidewalk.
10. It shall be the responsibility of the applicant for any community garage/yard sale to make appropriate arrangements for the control of traffic into, within and out of the residential neighborhood where such community garage/yard sale is being conducted. Said arrangements shall be approved as shown on the permit by the Code Enforcement Officer
