7:35pm PUBLIC FORUM

Mr. Dan Sassic, 6019 Patrick Henry Drive, Hopewell Twp.

Mr. Sassic commented on the township possibly working on the roads in his plan, that being Independence Square. He also commented on the lack of interest by citizens in the township as to what's going on in the township, with no other citizens in attendance beside himself for business meeting. He said it must mean nothing is going on in the township. President Bufalini commented back that development meetings and gains in development were occurring in the township and this was a good sign for the residents in the township.
